REVIEWS

"My mother was a music teacher for 35 years. I wish she could have used this book (*Kaleidonotes*) in her classroom—what a resource!"

-H. Baum, Principal, Westerville, OH

"*Kaleidonotes* is a great way to learn music skills."

-H. Evans, 3rd Grade Teacher, Ewing, MO

"*Kaleidonotes* is a fascinating book about the orchestra. It is a fun way for the students to learn a bit more about the instruments. The bright illustrations and rhymes really kept the students attention. Wonderful!"

-L. Hooten, Music Specialist, McKinney, TX

FURTHERING LITERACY THROUGH MUSIC EDUCATION

By linking together the worlds of reading and music, the authors have created a book that parents and educators can use to teach children to read while encouraging them to further explore the extraordinary world of music!
